

# Coloriage magique

Divisions · CM1-CM2

Prénom : \_\_\_\_\_

Date : \_\_\_\_\_

Calcule chaque division, puis colorie la case avec la couleur du résultat. Un dessin mystère va apparaître !

|             |            |             |             |             |             |             |             |             |             |             |             |             |             |             |             |

- 1 = bleu clair
- 2 = noir
- 3 = vert
- 4 = marron
- 5 = blanc (ne colorie pas)
- 7 = orange
- 9 = beige

# Solution

Le dessin mystère était un hibou.

- 1 = bleu clair

2 = noir

3 = vert

4 = marron

5 = blanc (ne colorie pas)
- 7 = orange

9 = beige
